(c) For the purposes of this section, a member's employment in a position covered by the retirement system does not end if the member is on leave of absence or has a contract for future

employment in a public school, other than a contract for employment that would, if the retiring member and the employer were to comply with all procedural requirements, qualify under Section [824.602](#) for an exception to the loss of monthly benefits required by Section [824.601](#).

Sec. 824.004. WAIVER OF BENEFITS. (a) A person may, on a form prescribed by and filed with the retirement system, waive all or a portion of any benefits from the retirement system to which the person is entitled. A person may revoke a waiver of benefits in the same manner as the original waiver was made.

(b) A revocable waiver may be revoked only as to benefits payable after the date the revocation is filed. If a waiver is made irrevocable and is filed with the retirement system before the first benefit payment is made to the person executing the waiver, Section [824.103](#) applies to determine alternative beneficiaries.

(c) The retirement system shall transfer to the state contribution account from the appropriate benefit reserve accounts amounts not used to pay benefits because of a waiver executed under this section.

(d) The board of trustees may provide rules for administration of waivers under this section.

(e) The retirement system may not require a person filing a waiver of benefits under this section to submit a sworn affidavit in order to receive the accumulated contributions.

Acts 1981, 67th Leg., p. 1876, ch. 453, Sec. 1, eff. Sept. 1, 1981. Renumbered from Vernon's Ann.Civ.St. Title 110B, Sec. 34.004 and amended by Acts 1989, 71st Leg., ch. 179, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1999, 76th Leg., ch. 1118, Sec. 2, eff. Sept. 1, 1999.

Sec. 824.005. REVOCATION OF RETIREMENT. (a) A person who has retired under the retirement system may revoke that retirement by filing with the system a written revocation in a form prescribed by the system. For a revocation to be effective, the retirement system must receive the written revocation before the later of the due date for the first payment of the annuity or the date on which the retirement system makes the first payment. After the later of those dates, a retiree may not revoke the retirement. For purposes of this subtitle, the retirement system makes a payment by depositing a check in the mail or sending payment by electronic fund transfer.

(b) A person who has retired under the retirement system revokes that retirement if the person becomes employed in any position in a public school during the first month following that person's effective date of retirement, or during the first two months following an effective date of retirement established by reliance on Section 824.002(d), and must return any retirement benefits received under the original retirement.

(c) A person who revokes a retirement under this section is restored to membership in the retirement system as if that person had never retired.

Added by Acts 1981, 67th Leg., 1st C.S., p. 204, ch. 18, Sec. 26, eff. Nov. 10, 1981. Amended by Acts 1985, 69th Leg., ch. 832, Sec. 5, eff. June 15, 1985. Sec. 824.006. PAYMENT OF ANNUITY ON DEATH OF MEMBER OR RETIREE. (a) A monthly annuity payable to a retiree or beneficiary is payable to that person through the month in which the person dies. A continuation of an optional annuity or the payment of a death or survivor benefit annuity begins with payment for the month following the month in which the death occurs.

(b) The effective date of death of a member who dies before retirement is, for the purpose of a death or survivor benefit annuity, the last day of the month preceding the month in which the

member dies. The first payment of the annuity becomes due at the end of the month in which the member's death occurs.

Added by Acts 1995, 74th Leg., ch. 555, Sec. 14, eff. Sept. 1, 1995.

(b) An individual eligible to participate in the uniform program under Section [1601.102](#), Insurance Code, may authorize the retirement system to deduct the amount of the contribution and any other qualified health insurance premium from the individual's regular monthly service or disability retirement annuity payment if the individual is:

(1) eligible to receive a monthly annuity from the retirement system greater than the amount of the authorized deduction; and

(2) eligible under Section 402(1), Internal Revenue Code of 1986, or a similar law, to elect to exclude from annual gross income up to \$3,000 of distributions from an eligible retirement plan used for qualified health insurance premiums.

(c) An individual may authorize the deduction described by Subsection (b) on a form provided by the program administrator. The program administrator shall coordinate the implementation of an authorization under Subsection (b) with the retirement system.

(d) After making the deductions, the retirement system shall pay to the program administrator an aggregate amount for all individuals who authorize annuity deductions under Subsection (b).

(e) If an individual no longer receives a monthly annuity greater than the amount of the authorized deduction, the retirement system:

(1) shall inform the program administrator; and

(2) is not required to make any deduction under this section for the individual.

(f) The retirement system is not required to accept an authorization for a deduction under this section if payment of

qualified health insurance premiums by deduction from a retirement plan annuity is not required for an eligible retiree to elect the gross income exclusion described by Subsection (b)(2).

Added by Acts 2009, 81st Leg., R.S., Ch. 1171 (H.B. 3347), Sec. 2, eff. September 1, 2009.

(b) A retiree who is participating in the uniform program under Chapter 1601, Insurance Code, may authorize the retirement system to deduct the amount of the contribution and any other qualified health insurance premium from the retiree's regular monthly service or disability retirement annuity payment if the amount of the monthly annuity is greater than or equal to the amount of the authorized deduction.

(c) A retiree may authorize the deduction described by Subsection (b) on a form provided by the program administrator. The program administrator shall maintain the record of the authorization made under this section.

(d) The program administrator shall:

(1) notify the retirement system of the authorization under Subsection (b); and

(2) in the manner and form prescribed by the retirement system, provide the retirement system with the names of the retirees and other relevant information needed by the retirement system to administer the deduction.

(e) After making the deduction, the retirement system shall pay to the program administrator an aggregate amount for all retirees who authorize annuity deductions under Subsection (b).

(f) If a retiree no longer receives a monthly annuity greater than or equal to the amount of the authorized deduction, the retirement system:

(1) shall inform the program administrator; and

(2) is not required to make a deduction under this

section for the retiree.

(g) The retirement system shall make the authorized deduction each month until:

(1) the date the annuity is no longer payable by the retirement system;

(2) the retirement system is notified by the program administrator that the retiree has canceled the authorization to make the deduction; or

(3) the amount of the monthly annuity is no longer greater than or equal to the amount of the authorized deduction as described by Subsection (f).

(h) The program administrator shall reimburse the retirement system the cost, as determined by the retirement system, incurred by the retirement system in implementing this section.

(i) This section does not apply to an individual described by Section [824.007](#)(b).

Added by Acts 2017, 85th Leg., R.S., Ch. 1106 (H.B. [4035](#)), Sec. 1, eff. January 1, 2018.

Sec. 824.008. DEDUCTIONS FROM AMOUNTS PAYABLE BY THE RETIREMENT SYSTEM. (a) Notwithstanding Section [821.005](#), the retirement system may deduct the amount of a person's indebtedness to the retirement system from an amount payable by the retirement system to the person or the person's estate and the distributees of the estate.

(b) If the retirement system makes a payment to a participant who is deceased and the payment is not payable, the retirement system may deduct the amount of the payment from any amount payable by the retirement system to a person who received the payment or to that person's estate and distributees of the estate.

Added by Acts 2011, 82nd Leg., R.S., Ch. 455 (S.B. [1667](#)), Sec. 8, eff. September 1, 2011.

The following section was amended by the 87th Legislature. Pending publication of the current statutes, see H.B. [375](#), 87th Legislature, Regular Session, for amendments affecting the following section.

Sec. 824.009. CERTAIN EMPLOYEES AND ANNUITANTS INELIGIBLE FOR RETIREMENT ANNUITY; RESUMPTION OR RESTORATION OF ELIGIBILITY.

(a) In this section, "qualifying felony" means an offense that is punishable as a felony under the following sections of the Penal Code:

(1) Section 21.02 (continuous sexual abuse of young child or children);

(2) Section 21.12 (improper relationship between educator and student); or

(3) Section 22.011 (sexual assault) or Section 22.021 (aggravated sexual assault).

(a-1) In this section, a "qualifying felony" includes any federal offense that contains elements that are substantially similar to the elements of a felony offense described in Subsection (a).

(b) This section applies only to a person who is a member or an annuitant of the retirement system and is or was an employee of the public school system.

(c) Except as provided by Subsection (e), a person is not eligible to receive a service retirement annuity from the retirement system if the person is convicted of a qualifying felony the victim of which is a student.

(d) The retirement system shall suspend payments of an annuity to a person who is not eligible to receive a service retirement annuity under Subsection (c), as determined by the retirement system, on receipt by the retirement system of:

(1) notice of a conviction for a qualifying felony under Subsection (f) or (1);

(2) notice of a conviction for a qualifying felony from a district court or district attorney; or

(3) any other information the retirement system determines by rule is sufficient to establish a conviction for a qualifying felony.

(e) A person whose conviction is overturned on appeal or who meets the requirements for innocence under Section 103.001(a)(2), Civil Practice and Remedies Code:

(1) is entitled to receive an amount equal to the

accrued total of payments and interest earned on the payments withheld during the suspension period; and

(2) may resume receipt of annuity payments on payment to the retirement system of an amount equal to the contributions refunded to the person under Subsection (g).

(f) Not later than the 30th day after the date of a person's conviction for a qualifying felony, the school at which the person was employed shall provide written notice of the conviction to the retirement system. The notice must comply with rules adopted by the board of trustees under Subsection (k).

(g) A person who is not eligible to receive a service retirement annuity under Subsection (c) is entitled to a refund of the person's retirement annuity contributions, including interest earned on those contributions.

(h) Benefits payable to an alternate payee under Chapter 804 who is recognized by a domestic relations order established before September 1, 2017, are not affected by a person's ineligibility to receive a retirement annuity under Subsection (c).

(i) On conviction of a person for a qualifying felony, a court may, in the interest of justice and in the same manner as in a divorce proceeding, award any portion or all of the service retirement annuity forfeited by the person as the separate property of an innocent spouse if the annuity is partitioned or exchanged by written agreement of the spouses as provided by Subchapter B, Chapter 4, Family Code. The amount awarded to the innocent spouse may not be converted to community property.

(j) Ineligibility for a retirement annuity under this section does not impair a person's right to any other retirement benefit for which the person is eligible.

(k) The board of trustees of the retirement system shall adopt rules and procedures to implement this section.

(l) A court shall notify the retirement system of the terms of a person's conviction of a qualifying felony.

Added by Acts 2017, 85th Leg., R.S., Ch. 178 (S.B. 7), Sec. 17, eff. September 1, 2017.

## SUBCHAPTER B. BENEFICIARIES

Sec. 824.101. DESIGNATION OF BENEFICIARY. (a) Except as provided by Subsection (c), any member or annuitant may, on a form prescribed by and filed with the retirement system, designate one or more beneficiaries to receive benefits payable by the retirement system on the death of the member or annuitant.

(b) Except as provided by Subsection (c), a member or annuitant may change or revoke a designation of beneficiary in the same manner as the original designation was made.

(c) Only one person may be designated as beneficiary of an optional retirement annuity under Section 824.204(c)(1), (c)(2), or (c)(5), and a designation of beneficiary under any of those options may not be made, changed, or revoked, except as provided by Sections 824.1011, 824.1012, and 824.1013, after the later of the date on which the retirement system makes the first annuity payment to the retiree or the date the first payment becomes due. For purposes of this section, the term "makes payment" includes the depositing in the mail of a payment warrant or the crediting of an account with payment through electronic funds transfer.

(d) Unless a contrary intention is clearly indicated by a written designation of beneficiary and except as otherwise provided by this section, the most recent designation of beneficiary by a member or annuitant applies to all benefits payable on the death of the member or annuitant.

(e) The retirement system by rule may provide for the designation of alternate beneficiaries and may adopt other rules to administer this section.

(f) A beneficiary designation, change in beneficiary, or revocation of beneficiary is not effective unless it is authorized by this subchapter. Except as provided by Subsection (g), any authorized beneficiary designation, change in beneficiary, or revocation of beneficiary, including any modification ordered by a court or contemplated in a trust or testamentary document, must be executed by the member or annuitant in a form prescribed by the retirement system and must be received by the retirement system before the member's or annuitant's death or, for a beneficiary named to receive continued optional service or disability retirement

payments, not later than the deadline established elsewhere in this subtitle.

(g) Receipt by the retirement system of a certified copy of a divorce decree between a member or annuitant and a designated beneficiary revokes any designation of the former spouse as beneficiary of any death benefits payable under Subchapter E or F of this chapter that was effective before the date of divorce, if the decree is received by the retirement system before the payment of any part of the death benefit to any beneficiary.

Acts 1981, 67th Leg., p. 1876, ch. 453, Sec. 1, eff. Sept. 1, 1981. Renumbered from Vernon's Ann.Civ.St. Title 110B, Sec. 34.101 and amended by Acts 1989, 71st Leg., ch. 179, Sec. 1, eff. Sept. 1, 1989. Amended by Acts 1993, 73rd Leg., ch. 812, Sec. 5, eff. Sept. 1, 1993; Acts 1995, 74th Leg., ch. 555, Sec. 15, eff. Sept. 1, 1995; Acts 1997, 75th Leg., ch. 1416, Sec. 12, eff. Sept. 1, 1997; Acts 1999, 76th Leg., ch. 1540, Sec. 6, eff. Sept. 1, 1999.

Sec. 824.1011. DESIGNATION OF BENEFICIARY AFTER RETIREMENT. (a) A retiree who is receiving a standard service or disability retirement annuity under Section [824.203](#) or [824.304](#)(b) and who marries after the date of the person's retirement may replace the annuity by selecting an optional retirement annuity under Section [824.204](#)(c)(1), (c)(2), or (c)(5) or under Section [824.308](#)(c)(1), (c)(2), or (c)(5), as applicable, and designating the person's spouse as beneficiary before the second anniversary of the marriage in the same manner as an annuity selection and designation of beneficiary may be made before retirement.

(b) The selection of an optional annuity and designation of a beneficiary under this section do not take effect until the first payment of the annuity that becomes due two years after the date the selection and designation are filed with the retirement system.

(c) The retirement system shall recompute the annuity of a retiree who selects an optional annuity and designates a beneficiary under this section to reflect that change and shall adjust the annuity as appropriate for early retirement and postretirement increases provided after the date of the retiree's retirement. The retirement system shall by rule provide for the

adjustment of the monthly payments of the annuity under the option selected to an amount which is the actuarial equivalent of the annuity being paid immediately before the change in benefit option and beneficiary selection.

(d) If a retiree who selects an optional annuity and designates a beneficiary under this section dies before the change takes effect or if the designated beneficiary dies before the change takes effect, the selection of an optional annuity and designation of beneficiary have no effect.

Added by Acts 1995, 74th Leg., ch. 555, Sec. 16, eff. Sept. 1, 1995; Amended by Acts 1997, 75th Leg., ch. 1416, Sec. 13, eff. Sept. 1, 1997; Acts 1999, 76th Leg., ch. 1540, Sec. 7, eff. Sept. 1, 1999.

Sec. 824.1012. POST-RETIREMENT CHANGE IN RETIREMENT PAYMENT PLAN FOR CERTAIN RETIREMENT BENEFIT OPTIONS. (a) As an exception to Section [824.101\(c\)](#), a retiree who selected an optional service retirement annuity under Section [824.204\(c\)\(1\)](#), (c)(2), or (c)(5) or an optional disability retirement annuity under Section [824.308\(c\)\(1\)](#), (c)(2), or (c)(5) and who has received at least one payment under the plan selected may change the optional annuity selection made by the retiree to a standard service or disability retirement annuity as provided for in this section. If the beneficiary of the optional annuity was the spouse of the retiree when the retiree designated the spouse as beneficiary of the optional annuity, to change from the optional annuity to a standard retirement annuity under this subsection, the spouse or former spouse, as applicable, who was designated the beneficiary of the optional annuity must sign a notarized consent to the change or a court with jurisdiction over the marriage of the retiree and beneficiary must approve or order the change. The change in plan selection takes effect when the retirement system receives the request to change the plan, provided the signed consent form or court order, as applicable, is subsequently received by the retirement system.

(a-1) The executive director or the executive director's designee has exclusive authority to determine whether the language in a court order described by Subsection (a) is sufficient to

indicate that the court has approved or ordered the change in plan selection. A determination by the executive director or the executive director's designee under this subsection may be appealed only to the board of trustees, except that the board by rule may waive the requirement that an appeal be to the board. An appeal to the board is a contested case under Chapter [2001](#). The standard of review of an appeal brought under this subsection is by substantial evidence.

(b) A change described by Subsection (a) cancels the optional annuity selection made by the retiree, effective with the beginning of payments of the annuity as recomputed under this subsection. The retiree is entitled to receive payments of a standard service or disability retirement annuity, as applicable, reduced for early retirement, if applicable, beginning with the payment for the month after the month in which the retirement system receives the notice of change and ending on the death of the retiree. The change also cancels the designation of beneficiary with respect to the optional annuity benefit but does not cancel a designation with respect to any other benefit payable by the retirement system on the death of the retiree.

(c) The retirement system by rule may establish requirements for forms, documentation, and procedures necessary for the administration of this section.

Added by Acts 1997, 75th Leg., ch. 401, Sec. 1, eff. May 28, 1997.

Sec. 824.1013. CHANGE OF BENEFICIARY AFTER RETIREMENT. (a) A retiree receiving an optional retirement annuity under Section [824.204](#)(c)(1), (c)(2), or (c)(5) or Section [824.308](#)(c)(1), (c)(2),

or (c)(5) may change the designated beneficiary as provided by this section for the benefits payable after the retiree's death under those sections.

(b) If the beneficiary designated at the time of the retiree's retirement is the spouse of the retiree at the time of the designation:

(1) the spouse must give written, notarized consent to the change;

(2) if the parties divorce after the designation, the former spouse who was designated beneficiary must give written, notarized consent to the change; or

(3) a court with jurisdiction over the marriage must approve or order the change.

(c) A beneficiary designated under this section is entitled on the retiree's death to receive monthly payments of the survivor's portion of the retiree's optional retirement annuity for the shorter of:

(1) the remainder of the life expectancy of the beneficiary designated as of the effective date of the retiree's retirement; or

(2) the remainder of the new beneficiary's life.

(c-1) Notwithstanding Subsection (c), a beneficiary designated under this section is entitled on the retiree's death to receive monthly payments of the survivor's portion of the retiree's optional retirement annuity for the remainder of the beneficiary's life if the beneficiary designated at the time of the retiree's retirement is a trust and the beneficiary designated under this section is:

(1) the sole beneficiary of that trust; or

(2) an individual who at the time of the retiree's death is the sole beneficiary of that trust.

(c-2) The executive director or the executive director's designee has exclusive authority to determine whether the language in a court order described by Subsection (b) is sufficient to indicate that the court has approved or ordered the change in the designated beneficiary. A determination by the executive director or the executive director's designee under this subsection may be

appealed only to the board of trustees, except that the board by rule may waive the requirement that an appeal be to the board. An appeal to the board is a contested case under Chapter 2001. The standard of review of an appeal brought under this subsection is by substantial evidence.

(d) A retiree may not change a beneficiary under this section after retirement if the retiree has previously changed or designated after retirement a beneficiary for optional retirement annuity payments under this subtitle.

Sec. 824.102. TRUST AS BENEFICIARY. (a) Except as provided by Subsection (b), a member or annuitant may designate a trust as beneficiary for the payment of benefits from the retirement system. If a trust is designated beneficiary, the beneficiary of the trust is considered the designated beneficiary for the purposes of determining eligibility for and the amount and duration of benefits. The trustee is entitled to exercise any rights to elect benefit options and name subsequent beneficiaries.

(b) A trust having more than one beneficiary may not receive benefits to which multiple designated beneficiaries are not entitled under this chapter.

(a) If, before the first anniversary of the death of a member or annuitant, the retirement system does not receive a claim for payment of benefits from a designated beneficiary or a person entitled to benefits under Section 824.103, the retirement system may pay benefits, except an optional retirement annuity under Section 824.204(c)(1), (c)(2), or (c)(5), under the order of precedence in Section 824.103(b), as if the person failing to claim benefits had predeceased the decedent.

(b) Payment under Subsection (a) bars recovery by any other person of the benefits distributed.

(c) If, before the fourth anniversary of the death of a member or annuitant, payment of benefits based on the death has not been made and no claim for benefits is pending with the retirement system, the accumulated contributions of the deceased member or the balance of the reserve for the deceased annuitant is forfeited to the benefit of the retirement system. (a) A benefit payable on the death of a member or annuitant may not be paid to a person who has been convicted of causing that death or who is otherwise ineligible under Subsection (f) but instead is payable to a person who would be entitled to the benefit had the convicted or otherwise ineligible person predeceased the decedent.

(b) A person who becomes eligible under this section to select death or survivor benefits may select benefits as if the person were the designated beneficiary.

(c) The retirement system shall reduce any annuity computed

in part on the age of the convicted or otherwise ineligible person to a lump sum equal to the present value of the remainder of the annuity. The reduced amount is payable to a person entitled as provided by this section to receive the benefit.

(d) The retirement system is not required to pay benefits under this section unless it receives actual notice of the conviction or other ground of ineligibility of a beneficiary. However, the retirement system may delay payment of a benefit payable on the death of a member or annuitant pending the results of a criminal investigation and of legal proceedings relating to the cause of death.

(e) For the purposes of this section, a person has been convicted of causing the death of a member or annuitant if the person:

(1) pleads guilty or nolo contendere to, or is found guilty by a court of, causing the death of the member or annuitant, regardless of whether sentence is imposed or probated; and

(2) has no appeal of the conviction pending and the time provided for appeal has expired.

If the sum of the member's age and amount of service credit in the retirement system equals the number 80, with at least five years of service credit, or if the member has at least 30 years of service credit in the retirement system, the member is eligible to retire regardless of age and receive a service retirement annuity consisting of the standard service retirement annuity available under Subsection (a-1)(2) decreased by five percent for each year of age under 60 years.

(d-2) This subsection applies only to a person who does not have at least five years of service credit in the retirement system on or before August 31, 2014, or who becomes a member of the retirement system on or after September 1, 2014. If the sum of the member's age and amount of service credit in the retirement system equals the number 80, with at least five years of service credit, or if the member has at least 30 years of service credit in the retirement system, the member is eligible to retire regardless of age and receive a service retirement annuity consisting of the standard service retirement annuity available under Subsection (a-2)(2) decreased by five percent for each year of age under 62 years.

Sec. 824.203. STANDARD SERVICE RETIREMENT BENEFITS. (a) Except as provided by Subsections (c) and (d), the standard service retirement annuity is an amount computed on the basis of the member's average annual compensation for the five years of service, whether or not consecutive, in which the member received the highest annual compensation, times 2.3 percent for each year of service credit in the retirement system.

(b) In the case of a person who retired before August 27, 1979, ceilings in the definition of "annual compensation" apply to the computation of average annual compensation under Subsection (a). In the case of a person who retires on or after that date, those ceilings do not apply and the computation shall be based on actual compensation paid or payable for services as an employee to the extent that the computation includes compensation for school years before the 1981-82 school year.

(c) Except as provided by Subsection (d), for benefits

payable because of the death or retirement of a member that occurred before September 1, 1982, the standard service retirement annuity is computed in accordance with applicable prior law.

(d) In no case may the standard service retirement annuity be less than \$150 a month. The minimum benefits provided by this section are subject to reduction in the same manner as other benefits because of early retirement or selection of an optional retirement annuity.

Sec. 824.2031. BENEFIT IMPROVEMENTS. (a) Each regular legislative session, the legislature shall determine whether the performance of the retirement system trust fund makes the fund capable of supporting improvements in the plan of benefits.

(b) A determination under this section shall be founded on the information in the most recent report of an investment performance audit conducted under Section [825.512](#) and the application of that information to:

(1) the present amortization period for liabilities of

the retirement system;

(2) the rate of return on retirement system investments over and above the rate of inflation of the investment portfolio as a whole, of the portion of the investment portfolio entrusted to private investment entities, and of the portion of the investment portfolio entrusted to investment officers who are employees of the retirement system;

(3) economic projections of market conditions and future investment rates of return as reflected in the comptroller's most recent economic forecast and revenue estimate;

(4) the costs, including changes in the amortization period for liabilities of the retirement system, of providing cost-of-living or other increases in benefits to current annuitants; and

(5) an evaluation of the diversity of retirement system investments and whether the portfolio provides low-risk, long-term growth.

Added by Acts 1995, 74th Leg., ch. 555, Sec. 22, eff. Sept. 1, 1995.

Sec. 824.204. OPTIONAL SERVICE RETIREMENT BENEFITS. (a) Instead of the standard service retirement annuity payable under Section 824.203 or an annuity reduced because of age under Section 824.202, a retiring member may elect to receive an optional service retirement annuity, reduced for early retirement if applicable, under this section. An election to receive an optional service retirement annuity must be filed with the board of trustees not later than the effective date of retirement.

(b) An optional service retirement annuity is an annuity payable throughout the life of the retiree and is actuarially reduced from the annuity otherwise payable under this subtitle to its actuarial equivalent under the option selected under Subsection (c).

(c) An eligible member may select one of the following options, which provide that:

(1) after the retiree's death, the reduced annuity is payable to and throughout the life of the person nominated by the retiree's written designation filed prior to retirement;

(2) after the retiree's death, one-half of the reduced annuity is payable to and throughout the life of the person nominated by the retiree's written designation filed prior to retirement;

(3) if the retiree dies before 60 monthly annuity payments have been made, the remainder of the 60 payments are payable to the designated beneficiary;

(4) if the retiree dies before 120 monthly annuity payments have been made, the remainder of the 120 payments are payable to the designated beneficiary; or

(5) after the retiree's death, three-fourths of the reduced annuity is payable to and throughout the life of the person nominated by the retiree's written designation filed prior to retirement.

(d) If a person who is nominated by a retiree in the written designation under Section [824.101](#) predeceases the retiree, the reduced annuity of a retiree who has elected an optional service retirement annuity under Subsection (c)(1), (c)(2), or (c)(5) shall be increased to the standard service retirement annuity that the retiree would otherwise be entitled to receive if the retiree had not selected that annuity option. The standard service retirement annuity shall be adjusted as appropriate for:

(1) early retirement as provided by Section [824.202](#); and

(2) postretirement increases in retirement benefits authorized by law after the date of retirement.

(e) The increase in the annuity under Subsection (d) begins with the payment due at the end of September, 1995, or the first monthly payment made to the retiree following the date of death of the person nominated, whichever is later, and is payable to the retiree for the remainder of the retiree's life.

(f) The board of trustees shall adopt separate tables to be used to reduce an optional service retirement annuity under Subsection (d) to the actuarial equivalent of the standard service retirement annuity.

Sec. 824.2045. PARTIAL LUMP-SUM OPTION. (a) A member may select a standard service retirement annuity or an optional service retirement annuity described by Section [824.204](#), reduced for early age as applicable under Section [824.202](#), together with a partial lump-sum distribution, if:

(1) the member is eligible for a service retirement annuity;

(2) the sum of the member's age and amount of service credit in the retirement system equals the number 90; and

(3) the member is not participating in the deferred retirement option plan under Subchapter I.

(b) The amount of the lump-sum distribution under this section may not exceed the sum of 36 months of a standard service retirement annuity reduced for early age as applicable under Section [824.202](#) computed without regard to this section.

(c) The service retirement annuity selected by the member shall be actuarially reduced to reflect the lump-sum option selected by the member and shall be actuarially equivalent to a standard or optional service retirement annuity, as applicable, reduced for early age as applicable under Section [824.202](#), without the partial lump-sum distribution. The annuity and lump sum shall be computed to result in no actuarial loss to the retirement system.

(d) The retiring member may choose a lump sum equal to 12 months of a standard service retirement annuity and payable at the same time that the first monthly payment of the annuity is paid, a lump sum equal to 24 months of a standard annuity and payable in one or two annual payments, or a lump sum equal to 36 months of a standard annuity and payable in one, two, or three annual payments. At the option of the member, a payment under this subsection may be made as provided by Section [825.509](#). The amount

of the lump sum shall be computed based on a standard service retirement annuity reduced for early age as applicable under Section [824.202](#).

(e) The amount of the lump-sum distribution will be deducted from any amounts otherwise payable under Section [824.503](#).

(f) The partial lump-sum option under this section may be elected only once by a member and may not be elected by a retiree. A member retiring under the proportionate retirement program under Chapter [803](#) is not eligible for the partial lump-sum option.

(g) Before a retiring member selects a partial lump-sum distribution under this section, the retirement system shall provide a written notice to the member of the amount by which the member's annuity will be reduced because of the selection. The member shall be asked to sign a copy of or receipt for the notice, and the retirement system shall maintain the signed copy or receipt.

(h) The board of trustees may adopt rules for the implementation of this section.

Sec. 824.308. OPTIONAL DISABILITY RETIREMENT BENEFITS. (a) Instead of an annuity payable under Section 824.304(b), a member retiring under that section may elect to receive an optional disability retirement annuity under this section. An election to receive an optional disability retirement annuity must be filed with the board of trustees not later than the later of the effective date of retirement or the date the member applies for retirement.

(b) An optional disability retirement annuity is an annuity payable throughout the disability of the disability retiree and is actuarially reduced from the annuity otherwise payable under Section 824.304(b), after any reduction under rules adopted under Section 824.310, to its actuarial equivalent under the option selected under Subsection (c).

(c) An eligible member may select one of the following options:

(1) after the disability retiree's death, the reduced annuity is payable throughout the life of a person nominated by the retiree's written designation under Section 824.101 filed before retirement;

(2) after the disability retiree's death, one-half of the reduced annuity is payable throughout the life of the retiree's designated beneficiary;

(3) if the disability retiree dies before 60 monthly annuity payments have been made, the remainder of the 60 payments are payable to the designated beneficiary;

(4) if the disability retiree dies before 120 monthly annuity payments have been made, the remainder of the 120 payments are payable to the designated beneficiary; or

(5) after the disability retiree's death, three-fourths of the reduced annuity is payable throughout the life

of the retiree's designated beneficiary.

(d) If the person nominated by the disability retiree's written designation under Section [824.101](#) filed before or at the time of retirement predeceases the disability retiree, the reduced annuity of a disability retiree who has elected an optional retirement annuity under Subsection (c)(1), (c)(2), or (c)(5) is increased to the standard retirement annuity that the disability retiree would otherwise be entitled to receive if the disability retiree had not selected an annuity option. The standard retirement annuity shall be adjusted as appropriate for postretirement increases in retirement benefits authorized by law after the date of retirement.

(e) The increase in the annuity under Subsection (d) begins with the first monthly payment made to the disability retiree after the date of death of the designated beneficiary and is payable to the disability retiree for the remainder of the disability retiree's disability.

(f) The board of trustees shall adopt separate tables to be used to reduce an optional disability retirement annuity under this section to the actuarial equivalent of the standard retirement annuity.

(g) The continued payment to a disability retiree and the future payment to the retiree's designated beneficiary of any disability benefit, including an optional payment elected under Subsection (c), are conditioned on the continuation of the retiree's disabled status until the date of the retiree's death.

(h) The same requirements and limitations that apply to the designation or changing of beneficiaries for service retirement annuity options, including Section [824.101](#), apply to the designation of beneficiaries for disability retirement options.

Sec. 824.309. CHANGE OF DISABILITY RETIREMENT PAYMENT PLAN.

(a) A retiree may change the retiree's choice of disability retirement payment plans after the retiree's effective date of retirement by filing written notice with the board of trustees before the later of the date on which the retirement system makes the first annuity payment or the date the first payment becomes due. After the first payment has been made by the retirement system or has become due, a retiree may not change the annuity payment plan selected.

(b) For purposes of this section, the term "makes payment" includes the depositing in the mail of a payment warrant or the crediting of an account with payment through electronic funds transfer.

(c) The retirement system may adopt rules to administer this section.

Added by Acts 1993, 73rd Leg., ch. 812, Sec. 10, eff. Sept. 1, 1993.

Sec. 824.310. PURPOSE OF DISABILITY BENEFIT; LIMIT ON SUPPLEMENTAL INCOME. (a) The purpose of a disability retirement annuity paid under this subchapter is to lessen the financial hardships faced by a member with a disability.

(b) The board of trustees shall adopt rules under which the disability retirement annuity paid to a disability retiree under this subchapter is reduced on a sliding-scale basis or is suspended for a period in which the compensation earned by the retiree for work performed in a 12-month period during the disability retirement, as determined under the rules of the board of trustees, exceeds the compensation earned by the retiree during the 12-month period in which the retiree earned the highest compensation for actual service as a member of the retirement system.

(c) The rules adopted under Subsection (b) must provide for the partial or full reinstatement of a disability retirement annuity that is reduced or suspended if the compensation earned by the retiree for work performed during the disability retirement is reduced or suspended.

(d) The board of trustees by rule shall require a disability

retiree to report to the board the amount of compensation earned by the disability retiree that exceeds the amount established by the board by rule for work performed during the disability.

(a-1) In determining under Subsection (a)(4) whether to reduce the optional retirement annuity amount because of early retirement and in determining the amount of that reduction, if applicable, the retirement system shall make the determination as if the member had retired with an additional five years of service credit on the last day of the month preceding the month in which the member dies. The additional five years of service credit used in making a determination under this subsection may not be used to determine the amount of the benefit under Section [824.203](#) or whether the benefit under this subsection is authorized under Section [824.401](#).

(b) In addition to the benefits provided under Subsection (a), the designated beneficiary of a member who is an employee of a school district and who dies as the result of a physical assault during the performance of the employee's regular duties is eligible to receive a lump-sum death benefit payment in the amount of \$160,000.

Sec. 824.601. LOSS OF MONTHLY BENEFITS. (a) In this section, "third-party entity" means an entity retained by a Texas public educational institution to provide personnel to the institution that perform duties or provide services that employees of the institution would otherwise perform or provide.

(b) Except as provided by Subsection (b-1) or Section [824.602](#) and subject to Subsection (b-2), a retiree is not entitled to service or disability retirement benefit payments, as applicable, for any month in which the retiree is employed in any position by a Texas public educational institution.

after the retiree's effective date of retirement; or

(3) the retiree, as a volunteer without compensation, performs the same duties or provides the same services for an institution that the retiree performed or provided immediately before retiring and the retiree has an agreement to perform those duties or provide those services after the 12 consecutive calendar months after the retiree's effective date of retirement.

(c) A Texas public educational institution, for the purposes of this subchapter, is any entity included in the definition of "employer" or "public school" in Section [821.001](#) or any entity in whose employment the retiree has earned credit as a member of the retirement system.

(d) A retiree who is an employee of a third-party entity is considered to be employed by a Texas public educational institution for purposes of this subchapter unless the retiree does not perform duties or provide services on behalf of or for the benefit of the institution.

The following section was amended by the 87th Legislature. Pending publication of the current statutes, see H.B. [1525](#), and S.B. [1356](#), 87th Legislature, Regular Session, for amendments affecting the following section.

Sec. 824.602. EXCEPTIONS.

(a) Subject to Section [825.506](#), the retirement system may

not, under Section 824.601, withhold a monthly benefit payment if the retiree is employed in a Texas public educational institution:

(1) as a substitute only with pay not more than the daily rate of substitute pay established by the employer and, if the retiree is a disability retiree, the employment has not exceeded a total of 90 days in the school year;

(2) in a position, other than as a substitute, on no more than a one-half time basis for the month;

(3) in one or more positions on as much as a full-time basis, if the retiree has been separated from service with all Texas public educational institutions for at least 12 full consecutive months after the retiree's effective date of retirement; or

(4) in a position, other than as a substitute, on no more than a one-half time basis for no more than 90 days in the school year, if the retiree is a disability retiree.

(b) Working any portion of a day counts as working a full day for the purposes of Subsection (a)(1) or (a)(4).

(c) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 928, Sec. 5, eff. June 17, 2011.

(d) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 928, Sec. 5, eff. June 17, 2011.

(e) Except as provided by Subsections (n) and (o), the exception provided by Subsection (a) does not apply to a retiree working as a substitute under Subsection (a)(1) who also works in another position described by Subsection (a) in the same month.

(f) The retirement system shall include any employment during the school year, including any employment that relied on the exemption provided by Subsection (a)(1) or (a)(4), in determining whether and when a disability retiree has exceeded 90 days of employment in the school year.

(g) The exceptions provided by Subsections (a)(2) and (a)(3) do not apply to disability retirees. The retirement system nevertheless may not withhold a monthly benefit payment under Section 824.601 if:

(1) a disability retiree is employed in a Texas public educational institution in a position, other than as a substitute, for a period not to exceed three consecutive months;

(2) the work occurs in a period, designated by the disability retiree, of no more than three consecutive months;

(3) the disability retiree executes on a form and at a time prescribed by the retirement system a written election to have this exception apply on a one-time trial basis in determining whether benefits are to be suspended for the months of employment after retirement and in determining whether a disability retiree is no longer mentally or physically incapacitated for the performance of duty; and

(4) the disability retiree has not previously elected to avoid loss of monthly benefits under this subsection.

(h) A disability retiree is not entitled to service credit for service during a trial period under Subsection (g) if the retiree is restored to active service.

(i) Section [824.005\(b\)](#), concerning revocation of retirement on certain reemployment, applies to employment described in Subsection (a) or (g).

(j) The board of trustees shall adopt rules governing the employment of a substitute and defining "one-half time basis."

(k) The actuary designated by the board of trustees shall, in investigating the experience of the members of the system, note any significant increase in early age retirements and determine the extent to which any increase has been caused by the exception to loss of benefits for employment after retirement provided by Subsection (a)(3). If the actuary certifies in writing to the retirement system that sound actuarial funding of the retirement system's benefits is endangered by continuation of this exception, the board of trustees may determine that no further elections of the exception will be accepted from retirees, other than from those who have previously relied on the exception in retiring under this subtitle. A retiree may be considered to have relied on this exception only if retirement occurred on or after May 31, 1985, but before the date the board of trustees acknowledges receipt of such certification and if the retiree has first elected to receive benefits under the exception not later than two years after the retiree's effective date of retirement.

(1) This subchapter does not apply to payments under Section

[824.804\(b\)](#).

(m) Repealed by Acts 2011, 82nd Leg., R.S., Ch. 928, Sec. 5, eff. June 17, 2011.

(n) The exception provided by Subsection (a) applies to a retiree employed in positions under Subsections (a)(1) and (a)(2) in the same month only if the total number of days that the retiree works in those positions in that month do not exceed the number of days per month for work on a one-half-time basis.

(o) The exception provided by Subsection (a) applies to a disability retiree employed in positions under Subsections (a)(1) and (a)(4) in the same month only if the total number of days that the disability retiree works in those positions in that month do not exceed the number of days per month for work on a one-half-time basis.

#### SUBCHAPTER H. INCREASES IN ANNUITIES

Sec. 824.701. APPLICATION OF ANNUITY INCREASES TO CERTAIN

ANNUITIES. (a) An increase that is provided by law in the amount of an annuity being paid by the retirement system and that is applicable to retirements occurring before, or not later than, a date specified in the law also applies to an annuity based on the service of a member who, before October 1, 1989:

(1) accepted, under Subchapter C, service retirement that became effective on a date that is within the period specified for eligibility for the increase;

(2) subsequently revoked the person's service retirement as provided by Section 824.005;

(3) subsequently applied for disability retirement under Section 824.301 to be effective at the end of the month in which the revocation of service retirement occurred;

(4) did not receive a disability retirement annuity under Subchapter D;

(5) subsequently accepted service retirement that became effective at the end of the month in which the earlier revocation of service retirement occurred; and

(6) applies to the retirement system in writing for recomputation of the person's annuity.

(b) As soon as practicable after a person applies under this section, the retirement system shall verify whether an applicant meets the requirements of this section and is entitled to any increases in annuities provided by existing law.

(c) The retirement system shall increase the amount of an annuity payable to a retiree who applies and is verified as eligible for an increase in annuities provided by law, by the amount or rate of the increase. The first payment of an annuity as increased by this section is due on the later of:

(1) the end of the month in which the retiree is verified under this section as eligible for the increase; or

(2) a date of first payment specified in the law providing for the increase.

(d) For the sole purpose of determining eligibility for or the amount of increases in annuities provided by law after the date a retiree has been verified as eligible for an increase under this section, the date of retirement of the person on whose service the

annuity is based will be considered the date of original service retirement that was subsequently revoked, if the retiree has not terminated the subsequent service retirement as provided by this subtitle.

Sec. 824.702. COST-OF-LIVING ADJUSTMENT. (a) The retirement system shall make a one-time cost-of-living adjustment payable to annuitants receiving a monthly death or retirement benefit annuity, as provided by this section.

(b) Subject to Subsections (c) and (d), to be eligible for the adjustment, a person must be, on the effective date of the adjustment and disregarding any forfeiture of benefits under Section [824.601](#), an annuitant eligible to receive:

(1) a standard service or disability retirement annuity payment;

(2) an optional service or disability retirement annuity payment as either a retiree or beneficiary;

(c) If the annuitant:

(1) is a retiree, or is a beneficiary under an optional retirement payment plan, to be eligible for the adjustment under this section:

(A) the annuitant must be living on the effective date of the adjustment; and

(B) the effective date of the retirement of the member of the Teacher Retirement System of Texas must have been on or before August 31, 2004;

(2) is a beneficiary under Section [824.402](#)(a)(3) or (4) or [824.502](#), to be eligible for the adjustment:

(A) the annuitant must be living on the effective

date of the adjustment; and

(B) the date of death of the member of the retirement system must have been on or before August 31, 2004; or

(3) is an alternate payee under Section 804.005, the annuitant is eligible for the adjustment only if the effective date of the election to receive the annuity payment was on or before August 31, 2004.

(d) An adjustment made under this section does not apply to payments under:

(1) Section 824.203(d), relating to retirees who receive a standard service retirement annuity in an amount fixed by statute;

(4) Section 824.404(a), relating to active member survivor beneficiaries who receive a survivor annuity in an amount fixed by statute;

(5) Section 824.501(a), relating to retiree survivor beneficiaries who receive a survivor annuity in an amount fixed by statute; or

(6) Section 824.804(b), relating to participants in the deferred retirement option plan with regard to payments from their deferred retirement option plan accounts.

(e) An adjustment under this section:

(1) must be made beginning with an annuity payable for the month of September 2013; and

(2) is limited to the lesser of:

#### SUBCHAPTER I. DEFERRED RETIREMENT OPTION PLAN

Sec. 824.801. DEFINITION. In this subchapter, "plan" means the deferred retirement option plan provided by this subchapter. Added by Acts 1997, 75th Leg., ch. 1416, Sec. 21, eff. Sept. 1, 1997.

Sec. 824.8011. DEADLINE TO ELECT TO PARTICIPATE. A person must make an election to participate in the plan not later than December 31, 2005. Added by Acts 2005, 79th Leg., Ch. 1359 (S.B. [1691](#)), Sec. 18, eff. September 1, 2005.

Sec. 824.802. PARTICIPATION IN PLAN. (a) A contributing member who is eligible under Section [824.202](#) to retire and receive a standard service retirement annuity that is not reduced for retirement at an early age and who has at least 25 years of service credit in the retirement system may, if the member remains an employee, elect to participate in the deferred retirement option plan.

(b) An election to participate in the plan must be on a form prescribed by and filed with the retirement system. An election may be made only once and must state the period that the member wishes to participate in the plan. The period must be a minimum of 12 consecutive months and be in 12-month increments. The maximum period a member may participate in the plan is 60 consecutive months. An election under this section is irrevocable after filing. The filing of an election under this section is not considered for any purpose an application for retirement, and a person is not considered a retiree for any purpose because of the filing.

(c) The effective date of a member's participation in the plan is the first day of the month after the month in which an election is received and approved by the retirement system. The retirement system shall approve the election filed by a member who

is eligible to make the election.

Added by Acts 1997, 75th Leg., ch. 1416, Sec. 21, eff. Sept. 1, 1997.

Sec. 824.803. COMPUTATION OF PARTICIPANT'S SERVICE AND ANNUITY. (a) A person participating in the plan remains a member of the retirement system during the period of participation, unless the member terminates membership under Section 822.003, but the member may not, during participation, accrue additional service credit. The member shall make employee contributions to the retirement system, and the state and the member's employing district, if applicable, shall make contributions for the member's service performed during the member's participation in the plan. Member contributions made during the period of participation in the plan are not eligible for withdrawal by the participant and are deposited in the retired reserve account. The member and the state retain the obligation to contribute under Sections 1575.202 and 1575.203, Insurance Code, during the member's participation in this plan.

(b) For purposes of the plan, the computation of the service retirement annuity of a member participating in the plan is determined as of the effective date of participation. A participating member is not eligible to receive a postretirement increase made applicable to annuitants during the member's participation in the plan.

(c) An election to participate in the plan constitutes a deadline for the purchase of special service credit.

Added by Acts 1997, 75th Leg., ch. 1416, Sec. 21, eff. Sept. 1, 1997. Amended by Acts 2003, 78th Leg., ch. 1276, Sec. 10A.522, eff. Sept. 1, 2003.

Sec. 824.804. BENEFITS UNDER PLAN. (a) On the effective date of a member's participation in the plan, the retirement system shall make the transfers required by Section 825.309 to the retired reserve account as if the member had retired on that date. The retirement system shall transfer monthly, during the period of the member's participation in the plan, from the retired reserve

account to an account for the member in the deferred retirement option account an amount equal to:

(1) 60 percent of the amount the member would have received that month under a standard service retirement annuity if the member had retired under the multiplier currently in effect; or

(2) if the member began participation in the plan before September 1, 1999, 79 percent of the amount the member would have received that month under a standard service retirement annuity if the member had retired under the multiplier currently in effect.

(b) When a member who has participated in the plan retires from the retirement system, the person is entitled to the accumulated amount in the member's account in the deferred retirement option account, including creditable interest. The amount is payable in a lump sum, in periodic installments, or as provided by Section 825.509, at the option of the member. The board of trustees by rule shall determine the number and frequency of installment payments.
